

Whether on Land or at Sea...
Falcon Signal Horns are the SOUND Choice

Falcon Marine Safety Horns

SAFE JOURNEYS START WITH FALCON

Falcon Portable Signal Horns

Falcon, the oldest and most reliable name in signal horns, is leading the way in environmental research and development. It now proudly offers the complete Falcon Signal Horn Line with a redesigned horn profile for improved sound, quality and reliability. Designed by acoustical experts, all Falcon horns, from the palm-sized SuperSound to the deluxe Commander-4, are made and tested in the U.S.A. and guaranteed to carry the incomparable Falcon sound up to a mile over land or sea.

Marine Safety Horns

Push-Button - For fog, rescue or any emergency signaling, the Falcon Push-Button Signal Horn has it all! The first choice for serious boaters, it shouts out with a blast louder than any other push-button horn available.

- 100% ozone-safe - non-flammable
- Removable horn for easy storage
- Guaranteed unbreakable
- Meets U.S. Coast Guard recommendations for boats up to 65' (20 meters)
- Refills readily available

Push Button Signal Horn: Item Number: PBSHN Case Pack: 6 Case Weight: 3.17 kg UPC: 0-86216-31481-0

Push Button Chrome Finish Horn: Item Number: PBSHNC SH Case Pack: 6 Case Weight: 3.17 kg UPC: 0-86216-31436-0

Push Button Refill: Item Number: PBSHNR Case Pack: 12 Case Weight: 4.08 kg UPC: 0-86216-31482-7

Push-Button Jr™ - The marine safety choice for boaters on a budget. Guaranteed unbreakable, the Push-Button JR is compact and easy to store. High-impact plastic trumpet is also guaranteed unbreakable.

- 100% ozone-safe - non-flammable.
- Top quality, self-sealing canister
- Can be heard up to 1 mile over water - louder than any other junior-size horn
- Meets U. S. Coast Guard recommendations for boats up to 39' (12 meters)
- Refills also fit Falcon Push-Button Horn and are readily available

Push Button JR Signal Horn - Carded: Item Number: PBNJC Case Pack: 36 Case Weight: 8.62 kg UPC: 0-86216-31931-0

Push Button JR Signal Horn 81 ml Refill: Item Number: PBNJR Case Pack: 24 Case Weight: 4.08 kg UPC: 0-86216-31932-7

Commander-4™ - The deluxe Falcon Commander-4 demonstrates the benefits of superior design and construction. Tested and proven to be the loudest gas-powered horn available, the trigger-operated Commander-4 features a chrome-plated valve and a polished chrome trumpet.

- 100% ozone-safe - non-flammable
- Totally weatherproof with stainless steel diaphragm
- Rugged, heavy-duty zinc alloy, diecast for extra strength
- Meets U.S. Coast Guard recommendations for boats up to 65' (20 meters)
- Refills readily available

Commander-4 Chrome Horn: Item Number: FC4N Case Pack: 6 Case Weight: 5.44 kg UPC: 0-86216-31571-8

Commander-4 - 186 ml Refill: Item Number: FNR Case Pack: 12 Case Weight: 4.08 kg UPC: 0-86216-31573-2

Super Sound® - The mini-horn with the maximum sound. Its piercing blast can be heard up to a half-mile over land and a mile over water. Palm-size convenience with unlimited uses from casual small-craft signaling to personal protection.

- 100% ozone-safe - non-flammable
- Compact - only 11.43 cm tall
- Stainless steel, non-corrosive diaphragm
- Guaranteed unbreakable
- Meets U.S. Coast Guard recommendations for boat up to 39' (12 meters)
- Refills readily available - no need to worry about batteries

Super Sound Horn: Item Number: SH3 Case Pack: 36 Case Weight: 5.44 kg UPC: 0-86216-21141-6

Super Sound 35 ml Refill (Two Pack): Item Number: SH3R Case Pack: 36 Case Weight: 8.14 kg UPC: 0-86216-21151-5

AquaBlast® - Simply attach the Aqua Blast Personal Watercraft Horn to your personal flotation device and you've got all the protection you need with the push of a button. Its blasting signal warns others of possible danger and gets you the help you need. The new Aqua Blast satisfies all new state and local water safety requirements.

- 100% ozone-safe
- 100% rust resistant and 100% non-flammable
- Delivers a shrill, piercing blast that signals for help even after being submerged in water
- Attaches to your personal flotation device in seconds with Velcro strap
- Quality-built to keep on working
- Almost impossible to lose in the water - it floats
- Refills readily available

AquaBlast Personal Watercraft Horn - Carded: Item Number: PWH Case Pack: 6 Case Weight: 0.91 kg UPC: 0-86216-31621-0

AquaBlast 35 ml Refill (Two Pack): Item Number: PWHR Case Pack: 6 Case Weight: 1.36 kg UPC: 0-86216-31631-9

Sports Horn

Sports Horn - The economical Falcon Sports Horn is ideal for coaches, sports officials, camp counselors, lifeguards and referees, while also meeting the needs of sports enthusiasts. Cautious boaters and fishermen who use these flammable gas-powered horns will find the Falcon Sports Horn an indispensable piece of gear, and will rely on the super-loud blast that can be heard up to a mile away.

- 100% ozone-safe, flammable propellant
- Rugged, high-impact plastic trumpet - guaranteed unbreakable
- Economical - more blasts per can than non ozone-safe horns
- Removable trumpet for easy transport and storage
- Individually hand-tested for reliability
- Meets U.S. Coast Guard requirements for boats up to 65' (20 meters)
- Refills readily available

Sports Horn: Item Number: FSH Case Pack: 6 Case Weight: 3.63 kg UPC: 0-86216-21331-1

Sports Horn 290 ml Refill: Item Number: FSHR Case Pack: 12 Case Weight: 3.97 kg UPC: 0-86216-21332-8

Please note: The Sports Horn is the only Falcon horn that is Flammable.

Falcon Safety Signaling Horns

Minimize Injury....Save Lives

A Falcon Safety system is your low cost effective, quality solution for your company's signaling needs. All horns are made and tested in the U.S.A. and guaranteed to carry the incomparable Falcon sound up to a mile, and are loud enough to be heard over machinery and other industrial noise.

Typical uses include;

- primary alarm system in a small firm
- back-up system for a large company
- warning alert in a confined workspace
- injured worker alarm
- personal protection
- alarm against an intruder, thief or unfriendly animal.

THE CLEAR CHOICE for keeping your screens clean!

Introducing **Panel View Screen Cleaner** for maintaining your equipment display screens on the floor and in the office

Safely clean manufacturing equipment display screens.

Clean office computer and other sensitive display screens.

The panel view screens in your manufacturing environment get dirty with dust and grime and fingerprints. Dirty screens make it difficult to read important data and delay precious time in production – and time is money.

Keep all your plant and office technology screens clean with Panel View Screen Cleaner from Falcon Safety. This

two-part kit comes with a 'no-run' formula spray that is "Safe for All Screens". Spray it directly on the screen and then use the microfiber cloth to

wipe and polish the screen to a streak-free finish.

Keep one set by the machinery and one set in the office by your PC or laptop ... **never squint through screen smudge again!!**

Also ideal for:

- Notebooks and Netbooks
- Smart Phones
- Tablets and e-Readers
- GPS's
- Digital and Video Cameras
